Camp Summary & Overview

Krush Hitting Company and the Blue Ridge staff has assembled one of the finest camp staff's possible. All aspects of the game will be covered.

Pitching, hitting, defense, base-running, the mental approach, functional strength training for softball and more will be covered during this full 4-day camp.

The instruction will be exceptional as we believe this is the backbone of the Softball industry.

This event will also "showcase" the talents of each player as they will be rubbing elbows with coaches & scouts throughout the camp.

The Krush Hitting Company

Integrating the Art & Science of Hitting

**WE DO NOT MAKE HITTERS ROBOTS,
EACH HITTER'S SWING IS DIFFERENT!!!**

This program is based upon facts, not opinions or theories.

Program is based upon what the best hitters on the planet do.

We use the what, why, and how teaching method

- What are the physical commonalities (swing mechanics) of great hitters?
- Why do the hitters make these movements, etc.?
- How do you integrate these movements, etc. into your swing.

We present the program in a high-energy, passionate, and entertaining fashion.

We try to teach using simple terms and ideas, yet thorough.

TOPICS COVERED

The common movements of exceptional hitters (swing mechanics)

Understanding swing faults & how to fix them

How to hit off-speed pitches

High-velocity adjustments

Mental approach

Vision, tracking and pitch recognition

How to put it all together...a simple plan.
